

HOST A FUNDRAISING DAY

Farmington Gardens has supported and served our local community for over 20 years. We want to extend our efforts by inviting your group to host a fundraising shopping day. Approved groups will be assigned a day that your friends, family and group supporters can shop at our garden center. Farmington Gardens will then donate 10% of the event sales to your organization.

HELPFUL FUNDRAISING TIPS

- **Schedule events early.** Although a minimum two week notice is required to an event, you can schedule your fundraiser up to 3 months in advance.
- **Get the word out.** Distribute your event flyer to family and friends in person, through email and using social media. Promote the event on public bulletin boards and marquees
- **Alert the press.** Contact local newspapers and media who might share information on charitable events.
- **Encourage your guests to bring family and friends.** By inviting your guests to bring one more person, you can double your donation total.
- **Send a reminder.** A few days before your fundraiser, remind your family and friends of the event. Hearing your voice will motivate them to attend.
- **Don't forget your flyer.** Make sure everyone attending your fundraiser brings an event flyer with them. We also accept flyers shown on a phone. Fundraiser guests are required to present a valid fundraiser flyer with each order to receive credit.
